It's all in your mind that I'm leaving you
I've been afraid you'd found somebody new
If I lost you it would break this heart of mine
I'm not leaving you it's all in your mind.

You can't blame me for havin' my suspicions
When hearts are broken each and every day
Just listen to your heart and what it tells you
Don't listen to the lies that people say.

It's all in your mind that I could let you go
I tried to think you'd never hurt me so
For I know that I can't change this heart of mine
I'm not leaving you it's all in your mind.

You can't blame me for havin' my suspicions
When hearts are broken each and every day
Just listen to your heart and what it tells you
Don't listen to the lies that people say...
