It's all in your mind that I'm leaving you I've been afraid
you'd found somebody new
If I lost you it would break this heart of mine
I'm not leaving you it's all in your mind
You can't blame me for havin' my suspicions
When hearts are broken each and every day
Just listen to your heart and what it tells you don't listen
to the lies that people say
It's all in your mind that I could let you go I tried to think
you'd never hurt me so
For I know that I can't change this heart of mine
I'm not leaving you it's all in your mind
You can't blame me...
