Indian Lake is a scene you should make with your little
one

Keep it in mind if you're lookin' to find a place in the
summer sun

Swim in the cove have a snack in the grove or you can
rent a canoe

At Indian Lake you'll be able to make the way like the
Indians do

You take a bus marked Lakewood Drive

And you keep on ridin' till you're out of the city

Where the air is fine with the sweet smellin' pines and
the country side's pretty

And you'll see daffodils peepin' over the hills or a
honey lovin' mama bear

Just take a left at the bridge go down to Quaker town
Ridge

And in a minute you're there

Indian Lake is a scene you should make...

[steel]

Indian Lake is a scene you should make...

And you'll see daffodils peepin' over the hills...

Indian Lake is a scene you should make...
