It's another world when I'm with you
Roses everywhere, blue skies up above, everybody is in
love
It's another world when I'm with you and that's where I
wanna be

Never a day goes by when I'm blue
There's no tears in my eyes when I'm with you

It's another world when I'm with you
Nights are made for love, days are never long
Nothing, nothing can go wrong
It's another world when I'm with you and that's where I
wanna be

Never a day goes by when I'm blue
There's no tears in my eyes when I'm with you

It's another world when I'm with you
And it's here right now, let me hold you close
Love you know just grows and grows
It's another world when I'm with you and that's where I
wanna be
