(Rick Carnes - Janis Carnes - Mitch Johnson)

Somehow you always tell me everything I need to know  
With nothing but a smile all the way you said hello  
I've looked into your eyes a thousand times and now  
I'm sure  
Something isn't there that was always there before.

Oh, it's gone, gone  
It's not where it used to be  
It's gone, gone  
Te feeling that belonged to me is gone.

Don't tell me that you love me cause it only makes  
things worst  
You just don't wanna say goodbye until I say it first  
So I dn't try to hold you cause I know this is the end  
Once you've lost the feeling you can't get it back again.

Oh, it's gone, gone  
It's not where it used to be  
It's gone, gone  
Te feeling that belonged to me is gone.

It's gone, gone  
It's not where it used to be  
It's gone, gone  
Te feeling that belonged to me is gone.

It's gone...
