I once was lost in sin but Jesus took me in  
And then a little light from Heaven filled my soul  
He bathed my heart in love and wrote my name above  
And just a little talk with Jesus made me whole

Now let us have a little talk with Jesus  
Let us tell him all about our troubles  
He will hear our faintest cry  
And we will answer by and by

Now when you feel a little prayer wheel turning  
Then you'll know a little fire is burning  
You will find a little talk with Jesus makes it right

Sometimes my passing prayer without a ray of fear  
And then a cloud of doubt will hide the light of day  
The mist of sin may rise and hide the starry sky  
But just a little talk with Jesus clears the way

Now let us have a little talk with Jesus  
Let us tell him all about our troubles  
He will hear our faintest cry  
And we will answer by and by

Now when you feel a little prayer wheel turning  
Then you'll know a little fire is burning  
You will find a little talk with Jesus makes it right

I may have doubts and fears my eyes be filled with  
tears  
But Jesus is a friend who watches day and night  
I go to him in prayer he knows my every care  
And just a little talk with my Jesus makes it right

Now let us have a little talk with Jesus  
Let us tell him all about our troubles  
He will hear our faintest cry  
And we will answer by and by

Now when you feel a little prayer wheel turning  
Then you'll know a little fire is burning  
You will find a little talk with Jesus makes it right

Makes it right
