Loretta Lynn & Conwat Twitty

We've lived more in a short time together
Than we've lived in a lifetime before
And this feeling that's burning inside me
Is a thing of the future in store.

The short time we've spent together
Oh, the love we give each other
Is more than most people see in the lifetime
You're all I ever live for oh no one could ever give
more.

I can't see me without you nowhere in my mind.

We've lived more in a short time together
Than we've lived in a lifetime before
And this feeling that's burning inside me
Is a thing of the future in store.

The short time we've spent together
Oh, the love we give each other
Is more than most people see in the lifetime
You're all I ever live for oh no one could ever give
more.

I can't see me without you nowhere in my mind.
