Many heartaches have passed since we met
There's a kind that a heart can't forget
And the sweet memories are too few
While I'm living my lifetime for you

I'm living my life for you
You're living to break me in two
I'd die while you're being untrue
Still I'm living my lifetime for you
[guitar]
If ever there should come a time
When you feel that you'd like to die

Well you've made me feel that way too
But I'm living my lifetime for you

I'm living my life for you...
