(Nilda Daniel - Sidney L. Linard)

How can one bed feel so lonely
With two people lying side by side
How can my arms feel so empty
When we're holdin' each other tight.

Now we just go through the motion
Doing all the things we've done before
But we're just making love from memory
Oh, we don't feel love anymore.

We're just making love from memory
Playin' a part we've memorized
Yes, we're just making love from memory
Love without a feelin' inside.

Somehow we've lost that sweet desire
That we took for granted for so long
Now we're just making love from memory
Making love while love's already gone.

We're just making love from memory
Playin' a part we've memorized
Yes, we're just making love from memory
Love without a feelin' inside, love without a feelin'
inside.

Love without a feelin' inside...
