Visit "[Night Girl](#)" on MotoLyrics.com

You say you'd like to be with me tonight
Someplace where we can hide from your world
But if you're ashamed to show me up in daylight
Then I can't see why I should be your night girl

I guess you think I'll be your poor girl price
Who'll never fit into your social world
But if you're too good for me in your own eyes
Then I can't see why I should be your night girl

You were born into a wealthy family
I was born into a world of poverty

So if you're too proud to have me in your world
Then I can't see why I should be your night girl
[piano - guitar]
You were born into a wealthy family...
