"Once A Day"

When you found somebody new I thought I never would
Forget you for I thought then I never could
But time has taken all the pains away
Until now I'm down to hurtin' once a day

Once a day all day long and once a night from dusk till
dawn

The only time I wish you weren't gone is once a day
every day all day long

[piano]

I'm so glad that I'm not like a girl I knew one time
She lost the one she loved then slowly lost her mind
She sat around and cried her life away

Oh lucky me I'm only cryin' once a day
Once a day all day long...
Once a day every day all day long
