(Jim Owen - Lorene Allen)

Out of place I knew I was out of my mind now because  
Out of reach is the one that I love so  
Out of reach he'll remain he're I'm free to love again  
So out of consideration let me go let me go.

Out of place right from the start out of your arms into  
his heart  
Where I found the love that so few know  
Out of here decidedly I'm begging you to set me free  
Out of consideration let me go let me go.

Constantly he's on my mind out of his arms and now I  
find  
An agony just like a disco slow  
Out of a soul of a woman comes a cry please  
understand  
Out of consideration let me go let me go.

Out of consideration let me go let me go...
