Well I feel tears wellin' up cold and deep inside like my
heart's sprung a big break
And a stab of loneliness sharp and painful that I may
never shake
Now you might say that I was takin' it hard that he wrote
me off with a call
But don't you wager that I'll hide the sorrow when I may
break right down and bawl

Now the race is on and here comes pride up the
backstretch
Heartaches are goin' to the inside
My tears are holdin' back they're tryin' not to fall
My heart's out of the runnin' true love scratched for
another's sake
The race is on and it looks like heartaches and the
winner loses all
[guitar - steel]
One day I ventured in love never once suspectin' what
the final result would be

How I lived in fear of waking up each morning and
findin' that you're gone from me
Cause there's ache and pain in my heart for today was
the one that I hated to face
Somebody new came up to win him and I came out in
second place

Now the race is on...
