Send me the pillow that you dream on
Don't you know that I still care for you
Send me the pillow that you dream on
So darling I can dream on it too

Each night while I'm sleeping oh so lonely
I share your love in dreams that once were true
Send me the pillow that you dream on
So darling I can dream on it too
[guitar]
I've waited so long for you to write me

But just a mem'ry's all that's left of you
Send me the pillow that you dream on
So darling I can dream on it too
