How long did you think you could go on hurtin' me
And I'd be your fool and wait at home alone
Well, you go out and you have your fun like you are
free
Tonight I'll have some pleasures of my own

'Cause the shoe goes on the other foot tonight
We'll find out if two wrongs can make a right
Tonight I'll push my heartaches out of sight
Oh, the shoe goes on the other foot tonight

Each time you walk out the door you walk on me
And you leave the door wide open for the blues
You fly away from me like you are free
Hey, you must think there's wings upon your shoes

But the shoe goes on the other foot tonight
We'll find out if two wrongs can make a right
Tonight I'll push my heartaches out of sight
'Cause the shoe goes on the other foot tonight
Yes, the shoe goes on the other foot tonight
