Just when the sun shines the brightest and the world  
looks all right again  
The clouds fill the skies you can't believe your eyes  
sometimes you just can't win

My love never meant much to you dear and to you I was  
always a friend  
Oh why did I fall you'd have no heart at all sometimes  
you just can't win  
[ ac.guitar ]  
I can't live like this any longer not knowing just where I  
stand  
I know I shouldn't care but sweetheart it don't seem fair  
Sometimes you just can't win

And then when the sun shines the brightest...  
Yeah sometimes you just can't win
