"Stand By Your Man"

Sometimes it's hard to be a woman giving all your love
to just one man
You'll have bad times and he'll have good times
Doing things that you don't understand
But if you love him you'll forgive him even though he's
hard to understand
And if you love him all be proud of him cause after all
he's just a man
Stand by your man give him two arms to cling to
And something warm to come to when nights are cold
and lonely
Stand by your man and tell the world you love him
Keep giving all the love you can stand by your man
Stand by your man and show the world you love him
Keep giving all the love you can stand by your man oh
yeah
