I come here each night
And take at your picture
I sit here and wonder
Just where I went wrong

There is no end in sight
No hope for the future
I miss you allover
Every night that you're gone

Table for two
Just me and your memory
Between you and me
It's over and done

I think of you
And cry like a baby
At a table for two
Party of one

I can't help but think
That someday you'll miss me
Some night you'll be lonely
And you'll come around

The more wine I drink
The harder it hurts me
Your chair is still empty
And the candles burned down

Table for two
Just me and your memory
Between you and me
It's over and done

I think of you
And cry like a baby
At a table for two
Party of one

At a table for two
Party of one
