He could have called ten thousand angels  
[ ac.guitar ]  
They bound the hands of Jesus in the garden where he  
pray  
They led him through the street in shame  
They spat upon the Saviour so pure and free from sin  
They said crucify him he's to blame  
He could have called ten thousand angels to destroy  
the world and set him free  
He could have called ten thousand angels but he died  
alone for you and me  
[ ac.guitar ]  
Upon his precious head they placed a crown of thorns  
They laughed and said behold the king  
They struck him and they cursed him and mocked his  
holy name  
And all alone he suffered everything  
He could have called ten thousand angels to destroy  
the world and set him free  
He could have called ten thousand angels... fade out
