(Betty Amos)

We're that odd couple on our street  
Neighbors stare and wonder  
We're a man and wife in love  
With each other.

Today a friend of mine came by  
Said let's do the town  
I can't fix you up  
With a cutiest thing around.

She's what I was jokin'  
When I told him patiently  
The only woman that I want  
Is waitin' at home for me.

We're that odd couple on our street  
Neighbors stare and wonder  
We're a man and wife in love  
With each other.

--- Instrumental ---

A neighbor on our left  
Talked with our neighbor on our right  
A man across the street  
Goes out almost every night.

I've heard a different man each night  
Each is life company  
They all think we're square  
'Cause we're happy as can be.

We're that odd couple on our street  
Neighbors stare and wonder  
We're a man and wife in love  
With each other.

Yes, we're a man and wife  
In love with each other...
