(Lorene Allen - Don McHan - T.D. Bayles)

You wined me and denied me when I was you girl

Told me if I'd be your wife you'd show me the world

But all I've seen of this old world is a bed and a doctor
bill

I'm tearin' down your brooder house because now I've
got the pill

All these years I've stayed at home while you had all
your fun

And every years that's gone by another baby's come

There's gonna be some changes made right here on
nursery hill

You've set this chicken your last time cause now I've
got the pill

This old maternity dress I've got is going in the
garbage

The clothes I'm wearing from now on won't take up so
much yardage

Miniskirts hot pants and a few little fancy frills

Yeah I'm making up for all those years since I've got
the pill

I'm tired of all your crowing how you and your hens
play

While holding a couple in my arms another's on the
way

This chicken's done for up her nest and ready to make
a deal

And you can't afford to turn it down cause you know
I've got the pill

This incubator is overused because you've kept it filled

The feeling good time's easy now since I've got the pill

It's gettin' dark it's roostin' time and that's too good to
be real

Oh daddy don't you worry now cause momma's got the
pill

Oh daddy don't you worry now cause momma's got the
pill
