When was the last time you kissed me  
And I don't mean a touch now and then  
It's been a long time since you felt like my woman  
And even longer since I felt like your man

So tell me if you think it's over  
And I'll leave it up to you how it ends  
And if there's someone who wants the love you can  
give him  
Well, there's a honky tonk angel who'll take me back in

We've been livin' a life for so long now  
How much more do you think we can stand  
There's an old friend out there and she's waiting  
Lord, she's happy just holding my hand

So tell me if you think it's over  
And I'll leave it up to you how it ends  
And if he still wants the love you can give him  
Well, there's a honky tonk angel who'll take me back in  
Yeah, there's a honky tonk angel who'll take me back in
