"Too Far"

I gave you everything I thought I'd wear your ring
Someday on my finger
In love so blind I stepped to cross the line
Now just memories of you linger

Just like a child I wished upon a star
Sometimes a girl in love will go too far

I was a crazy fool, let my heart overrule
Each decision my mind was makin'
The harm has done, there is no place to run
You can't give me back what you've taken

I gave my all, now I don't know where you are
Sometimes a girl in love will go too far
Too far oh yes, too far
Sometimes a girl in love will go too far

But I know I was smart for in a little while
I'll be holdin' somebody new
A little girl, a tiny baby girl
And I know she will look like you

And she'll be loved just the same way that you are
Sometimes a girl in love will go too far
