I can't understand a word you're saying
We've got a bad connection on our minds
Communication's one thing we never seem to find
Oh Lord I'm sorry, but there's trouble on the line

All I get is static when we're talking
You say my line is out of order all the time
We have nothing left in common
Your thoughts are not like mine
Oh Lord I'm sorry but there's trouble on the line
There's trouble on the line, from your heart to mine
Oh Lord I'm sorry but we're not getting through

The storm keeps getting worse
Lord, we might as well quit trying
Oh Lord I'm sorry, but there's trouble in the line
Oh Lord I'm sorry, but there's trouble on the line

The storm keeps getting' worse
Lord, we might as well quit trying'
Oh Lord I'm sorry, but there's trouble in the line
Oh Lord I'm sorry, but there's trouble on the line
