(Fred Koller - Mike Pace)

At night I go out walking with my memories
And all we ever talk about is you
We smile when we remember days of you and me
together
Trying not to think of you with someone new.

Walking with my memories of you
Breaking in a broken heart wearing out my shoes
Out here in the wind talking to myself again
Walking with my memories of you.

--- Instrumental ---

It's raining hard tonight on Second Avenue
I'm cold and wet but I can't go inside
Cause I gotta keep on walking until you've been
forgotten
And I can leave my memories behind.

Walking with my memories of you
Breaking in a broken heart wearing out my shoes
Out here in the wind talking to myself again
Walking with my memories of you...
