Well, I'm a good ol' girl an' I would like to please you
every way I can
I've loved you an' I've always let you have the upper
hand
How come you think you're so smart an' I'm the weaker
sex?
There ain't a man alive can match a woman, trick for
trick

We've come a long way, baby
All the way to Hollywood from Arkansas
We've come a long way, baby
Second class don't turn me on at all

Well, I don't want a wall to paint but I'm a-gonna have
my say
From now on, lover-boy it's fifty-fifty, all the way
Up to now I've been an object made for pleasin' you
Times have changed and I'm demanding satisfaction
too

We've come a long way, baby
All the way to Hollywood from Arkansas
We've come a long way, baby
Second class don't turn me on at all

We've come a long way, baby
All the way to Hollywood from Arkansas
We've come a long way, baby
Second class don't turn me on at all
