Who says God is dead?
Who says God is dead?

Who says God is dead?
I'm a talkin' to him now
Who says God is dead?
He's with us all right now

He knows every move that you make
He knows every time you make a mistake
The rumor has been spread
Who says God is dead?

Who says God is dead?
That's stupid and mighty low
I like to meet 'em face to face
And tell 'em it's not so

I've got my Saviour by the hand
He's leadin' me to the Promised Land
No, I'm not out of my head
Who says God is dead?

Who says God is dead?
He's a watchin' you right now
Who says God is dead
He's a reachin' for you now

If I were you I'd kneel and pray
'Cause we're not promised one more day
Remember blood was shed
Who says God is dead?

Who says God is dead?
That's stupid and mighty low
I like to meet 'em face to face
And tell 'em it's not so

I've got my Saviour by the hand
He's leadin' me to the Promised Land
No, I'm not out of my head
Who says God is dead?

Who says God is dead?
Who says God is dead?
Who says God is dead?
