I can't seem to learn not to love you you get to me
every time
You're someone I just can't say no to you're so good at
changin' my mind
Here I go down that wrong road again goin' back where
I've already been
Even knowing where it will end here I go down that
wrong road again
[steel]
Though I see the web that you're weavin' you and your
soft easy line
Before I stop to think I'm believin' and I'm fallin' for you
one more time
Here I go down that wrong road again...
Here I go down that wrong road again...

Here I go down that wrong road again...
