You don't have to be a baby to cry
All you need is for love to go wrong
You don't have to be a baby to cry
Or to lay awake the whole night long.

When you leave me my golden rainbow disappears
Then you leave me a broken heart that's full of tears
These ain't raindrops in my eyes, why should I lie?
You don't have to be a baby to cry.

--- Instrumental ---

When you leave me my golden rainbow disappears
Then you leave me a broken heart that's full of tears
These ain't raindrops in my eyes, why should I lie?
You don't have to be a baby to cry.

A little bitty baby, you don't have to be a baby to cry...
