You're running away again
Shunning you're best friend
Drinking too much
Getting so hard to touch

I'm waiting from dust 'til dawn
Not knowing where you've gone
Someday you'll come home
And I won't be there

You're a cross I can't bear
You're a cross I can't bear

Can't you see how you chain to the life you're living
That locks always blame
Or the pain you'd giving
Can't you see how you claim too many women
Someday you'll come Home
And I won't be there
You're a cross I can't bear

Can't you see how you chain to the life you're living
That locks always blame
Or the pain you'd giving
Can't you see how you claim too many women
Someday you'll come Home
And I won't be there
You're a cross I can't bear

Someday you'll come Home
And I won't be there
You're a cross I can't bear
