Well I like my lovin' done country style
And this little girl would walk a country mile
To find her a good ole slow talkin' country boy
I said a country boy

I'm about as old fashioned as I can be
And I hope you're likin' what you see
'Cause if you're lookin' at me you're lookin' at country

You don't see no city when you look at me
'Cause country's all I am
I love runnin' barefooted through the old cornfields
And I love that country ham

Well you say I'm made just to fit your plans
But there's a barnyard shovel pick your hands
If your eyes are on me you're lookin' at country

This here country is a little green
And there's a lotta country that you ain't seen
I'll show you around if you'll show me a weddin' band
I said a weddin' band

When it comes to love well I know about that
Country folks all know where it's at
If you're lookin' at me you're lookin' at country

You don't see no city when you look at me
'Cause country's all I am
I love runnin' barefooted through the old cornfields
And I love that country ham

Well you say I'm made just to fit your plans
But there's a barnyard shovel pick your hands
If your eyes are on me you're lookin' at country
If your eyes are on me you're lookin' at country
