(Boudleaux Bryant - Felice Bryant)

Bye bye love bye bye happiness hello loneliness I think
I'm a gonna cry

Bye bye my love bye bye

There goes my baby with someone new she sure looks
happy and I sure am blue

She was my baby till he stepped in goodbye to
romance that might have been

Bye bye love bye bye happiness hello loneliness I think
I'm a gonna cry

Bye bye love bye bye sweet caress hello emptiness I
feel like I could die

Bye bye my love bye bye

Well I'm through with you Conway I'm through with love

Yeah I'm through with countin' the stars above

And here's the reason that I'm so free my lovin' baby is
through with me

Bye bye love bye bye happiness...

Bye bye love bye bye happiness...
