(John Rostill)

Wherever you go wherever you may wander in your life

Surely you know I'll always wanna be there

Holding your hand and standin' by to catch you when  
you fall

Seeing you through in everything you do

Let me be there in your morning let me be there in your  
night

Let me change whatever's wrong and make it right

Let me take you through that wonder land that only two  
can share

All I ask you is let me be there

[ fiddle ]

Watching you grow going through the changes in your  
life

That's how I know I'll always wanna be there

Whenever you feel you need a friend to lean on here I  
am

Whenever you call you know I'll be there

Let me be there in your morning...

All I ask you is let me be there
