(Larry E. Williams)

There's a reason for the sunshine sky there's a reason
why I'm feeling so high

Must be the season when that love light shines all
around us

So let that feeling grab you deep inside and send you
reeling

Where your love can't hide and then go stealing

Through the moonless nights with your lover

Just let your love flow like a mountain stream

Let your love grow with the smallest of dreams

And let your love show and you'll know what I mean it's
the season

Yeah let your love fly like a bird on the wing

And let your love bind you to all living things

And let your love shine and you'll know what I mean
that's the reason

There's a reason for the warm sweet nights and there's
a reason for the candle lights

Must be the season when those love rites shine all
around us

So let the wonder take you into space and lay you
under its loving embrace

Let feel the thunder as it warms your face you can't
hold back

Just let your love flow...

Just let your love flow...
