(Delaney Bramlett)

I've got a never ending love for you from now on that's
all I wanna do

From the first time we met I knew I'd have a never
ending love for you

After all this time of being alone

We can love one another feel for each other from now
on

Feel so good I can hardly stand it

Never ending love for you from now on that's all I
wanna do

From the first time we met I knew I'd sing my never
ending song of love for you

[steel - guitar]

After all this time of being alone...

I'd sing my never ending song of love for you
