Please help me, I'm falling  
In love with you  
Close the door to temptation  
Don't let me walk through  
Turn away from me, darling  
I'm begging you to

Please help me, I'm falling  
In love with you  
I belong to another  
Whose arms have grown cold  
But I promised forever  
To have and to hold  
I can never be free, dear  
But when I'm with you  
I know that I'm losing  
The will to be true

Please help me, I'm falling  
And that would be sin  
Close the door to temptation  
Don't let me walk in  
For I mustn't want you  
But, darling, I do

Please help me, I'm falling  
In love with you
