(Doug Sahm)

Well she was walking down the street looking fine as
she could be hey hey

She was walking down the street looking fine as she
could be hey hey

If you have love and conversation oh yeah what'd I say
hey hey

She's about a mover she's about a mover she's about a
mover she's about a mover

Hey hey hey what'd I say she's about a mover she's
about a mover

Well you know I love you baby oh yeah what'd I say hey
hey

[guitar]

Well he strolled right up to me and said hey sweet
thing what's your name hey hey

Well he strolled right up to me and said hey sweet
thing what's your name hey hey

Well you know I love you baby oh yeah what'd I say hey
hey

He's about a mover...

He's about a mover she's about a mover
