(Jim Stafford - David Bellamy)

I remember when Loretta Lynn said you want to walk
me home again

And I said mhm yes I do

And she said well I don't want to go right home

And I'm the kind that don't want to be alone if you
would I would too

Ha ha and so we took a stroll and wound down by a
swimmin' hole

And she said do what you wanna do I don't care

Mhm I got silly and I found me a frog in the water by a
holler log

And I said Loretta this frog's for you

I don't like spiders and snakes and that ain't what it
takes

To love me like I want you to

I don't like spiders and snakes and that ain't what it
takes to love me

Like I wanna be loved by you

[steel]

Well I think of that girl from time to time and I phone up
when I got me dime

And I say hello baby ain't you cool

Ha ha she said do you remember when and you like to
get together again

If you do hey I see I'm just cool

Ha ha well I am shy and so for awhile most of my lovin'
was tough and smile

Till she said come on over here I don't care

Mhm mhm I would never say you might guess

Still lookin' for somethin' but a sneak out of dress

And she said... ha ha ha

Yeah I don't like spiders and snakes...
