(Bobby G. Rice - C. Fields - D.L. Riis)

You lay so easy on my mind oh so easy on my mind
Whenever I need you all I have to do is close my eyes
You lay so easy on my mind oh so easy on my mind
Wrap me in your warmness and let me feel your body
close to mine

Everything you say and do finds me wanting more of
you

And each moment brings to life a million dreams
Heaven's something real yes it's something I can feel
When I feel your angel touch all over me

You lay so easy on my mind oh so easy on my mind
Oh there's not a thought of me your sweet love don't
reach to satisfy

Every day I need you more you're the one I'm living for
And the best you'll ever give you've given me

You completely satisfy every need I have inside
And I pray you'll never take your love from me

You lay so easy on my mind oh so easy on my mind
Oh there's not a thought of me that your sweet love
don't reach to satisfy

Oh there's not a thought of me that your sweet love
don't reach to satisfy
