In the depths of the deep blue sea  
There's a blue as blue as me  
Where a quiet symphony plays for the lonely

I could just let it all go  
Sink down to the world below  
Where I don't breathe but I don't know  
Cause I'm breathless

When it's love  
It will rain sometimes  
When it's love, it will pour  
Pour

I don't where my lover went  
But I know that he took the rent  
And I know that he went and spent all my loving

And I'm not rich, but I don't care  
I'll find that boy anywhere  
I'll walk the land, fly the air, and tread water

When it's love  
It will rain sometimes  
When it's love, it will pour  
Pour

If the moon could sing a song  
With the symphony in the blue beyond  
They'd tell me he was really gone forever

When it's love  
It will rain sometimes  
When it's love, it will pour

When it's love  
It will rain sometimes  
When it's love, it will pour  
Pour, pour, pour

It will pour

It will pour  
It will pour
