I think you feel, the way I feel
Though you don't want to say
I think you feel, the way I feel
Though it's not the easy way
Wouldn't you like to be with me
Watching the snow come down
Watching the snow come down
Watching the snow....
I don't want to cause you any pain
I just want to love you
I don't want to fuck up anything
I just want to love you
And, I know you think I'm kinda strange
I just want to love you
I just want to love you
I just want to love you
I just want to love you
Everytime I see your face
I can hardly breathe
Everytime I see your face
I feel stupid and happy
Wouldn't you like to be with me
Watching the snow come down
Watching the snow come down
Watching the snow....
I don't want to cause you any pain
I just want to love you
I don't want to fuck up anything
I just want to love you
And, I know you think I'm kinda strange
I just want to love you
I just want to love you
I just want to love you
I just want to love you
I'd sure like to be with you
Watching the snow come down
Watching the snow come down
Watching the snow....
I don't want to cause you any pain
I'd give you the world
I don't want to fuck up anything
I wanna be your girl

And, I know you think I'm kinda strange
I just want to love you
I just want to love you
I just want to love you
I just want to love you....
Ahhh---Watching the snow come down
Watching the snow come down
Watching the snow
