Understated, overrated site - carnival ride  
Curtains faded, thread bill rugs real nice -the baby  
stayed up all night

How wonderful rhinestones on black satin shoes  
How beautiful the one's I never get to use  
No frills, no fuss, perfectly us - unglamorous

Frozen dinner, jelly glass of wine - tastes just fine  
Two bread winners, five kids in short time -with eyes  
just like mine

How wonderful crowded dinners at the kitchen table  
How beautiful one TV set - no cable  
No frills, no fuss, perfectly us - unglamorous

No diamonds in our bathtub reams  
Peanut butter on everything  
No frills, no fuss - unglamorous  
Unglamorous

How wonderful a gravel road leading to a front door  
How beautiful old wool socks on a bedroom floor  
No frills, no fuss, perfectly us -unglamorous  
Unglamorous
