I just about gave up on trying to let go of old love
that's gone.

Can finally say, "it's really over...old love and I-
we're truly done."

My brand new life-in those blue, blue eyes.
Maybe this time, this love will finally be...my someone
right... pure sunshine.
Now's the time- for you to finally be...mine ...be
mine...be mine

A part of me was slowly dyin'...my heart was broken
all apart.

You came along -you stopped my cryin' (cryin')
you gave me a chance for a fresh start...

My brand new life-in those blue, blue eyes.
Maybe this time, this love will finally be...my someone
right... pure sunshine (sunshine)
Now's the time- for you to finally be...mine...be
mine...be mine

I want just you if you'll have just me and I can be all
you really need

I wanna be the air you breathe, baby can't you see?
You are the one who belongs to me. You have my heart
and you hold the key.
You are the one who's in all my dreams. You're my
fantasy.

My brand new life-in those blue, blue eyes.
Maybe this time, this love will finally be...my someone
right... pure sunshine.
Now's the time- for you to finally be...

I want just you if you'll have just me and I can be all
you really need
I wanna be the air you breathe, baby can't you see?
You are the one who belongs to me. You have my heart
and you hold the key.
You are the one who's in all my dreams. You're my

fantasyÂ...

Ad libs outÂ...gotta be mine..gotta be mineÂ...
