Spoken: Ya know...I've been meaning to get with you for some time now. (Uh) Ya, I know you got a man. But, what your man got to do with me?

You see me rollin' up in my Mercedes  
(u've) been hangin' round my way much more than lately

I'm noticin' the lack of your attention-to your man-  
so, is it safe to mention:

I think about the 2 of us (lovin' all the lust)

And all the stuff that we can do (so, let's start it up)

Just say the word & let it loose (girl, give it up)

Without the fuss, I'm in no rush (to make my  
move)~ç~"

She's not into the girl thing

That's ok, cause I'm gonna get her anyway

She'll get a load of my boy thing

She'll feel it slide and we'll ride the night away

She'll be so into my girl thing

She won't make me stop, when I drop, and I make her  
cherry pop

It's all about this girl thing

U can't deny what ya feel inside cause u know I'll do  
u right

U know the way you act, u drive me crazy

That's not a myth, it's fact-u sexy lady

I'm askin u to give me some attention-forget your  
man-cause he ain't worth the mention

Just think about the 2 of us (not the lies, the lust)

And all the stuff that he can't do (for you, he should-  
he must)

He'll be ok-just let him loose (girl, give him up)

It's time for us, and not that lush (please let me make  
my move)

She's not into the girl thing (not into the girl thing)

That's ok, cause I'm gonna get her anyway (I'm  
gonna get her)

She'll get a load of my boy thing (get a load of this)

She'll feel it slide and we'll ride the night away (ya)

She'll be so into my girl thing (ah-ha)

She won't make me stop, when I drop, and I make her  
cherry pop (cherry pop)  
It's all about this girl thing (girl thing)  
U can't deny what ya feel inside cause u know I'll do  
u right  
Hey hey hey (hey hey hey) She likes to play  
Wha wha what (wha wha what) What can I say?  
Ma ma may (ma ma may) I have some more  
Ta ta taste (ta ta taste) of that candy core

RAP: Oh-Oh-Oh -Oh  
I know you straight, lady  
Or should I say maybe  
I'm not gonna take for granted  
That yo' body's slammin'  
I hear yo' body whining  
For me to come and grind it  
It's ok, baby girl  
I know you bout-it, bout-it  
Bump what yo' man talkin'  
Just send that loser walkin'  
Love, I'm bona fide to keep it live  
Lets get it started  
Lay with them legs parted  
Now feel that Lahdi-dhadi--  
I'm guaranteed to break you off  
Baby girl, it's Feloni, Hey

She's not into the girl thing (get into the girl thing)  
That's ok, cause I'm gonna get her anyway (I'm  
gonna getcha)  
She'll get a load of my boy thing (get a load of this)  
She'll feel it slide and we'll ride the night away  
(we're gonna ride the night away)  
She'll be so into my girl thing (so into it)  
She won't make me stop, when I drop, and I make her  
cherry pop  
It's all about this girl thing (my girl thing)  
U can't deny what ya feel inside cause u know I'll do  
u right

She's not into the girl thing (get into it)  
That's ok, cause I'm gonna get her anyway (I'm  
gonna getcha getcha)  
She'll get a load of my boy thing (my boy thing)  
She'll feel it slide and we'll ride the night away  
(we're gonna ride the night away)  
She'll be so into my girl thing (my girl thing)  
She won't make me stop, when I drop, and I make her  
cherry pop  
It's all about this girl thing (it's a girl thing)

U can't deny what ya feel inside cause u know I'll do  
u right
