No... No...

Please let me go

Please let me Please let me Please let me

Please let me go

Please let me Please let me Please let me... go

I'm sorry for the times I let you down (I'm sorry)

I'm sorry for the time I lied (I lied and lied)

I'm sorry for the times I was never around (I'm sorry,  
baby)

I'm sorry for all of the tears I made you cry (why oh why  
oh why?)

(But) I don't have the strength... I don't have the balls to  
let you know

(That) this is all my fault-now I'm standing here and it  
all shows

Please let me go

Please let me Please let me (PLEASE LET ME GO) Please  
let me

Please let me go

Please let me (JUST LET ME GO) Please let me Please let  
me... go

I'm sorry I am not the girl you need (cause you're the  
girl I need)

I'm sorry I am not your one (and you're my one)

I'm sorry that I'm not here beggin' on my knees  
(please)

I'm sorry but I think we're done (we're done, we're  
done, we're done)

I never had the strength... I never had the balls to let  
you know:

Everything's my fault... but, I'm standing here and my  
eyes show...

Please let me go

Please let me Please let me (PLEASE LET ME GO) Please  
let me

Please let me go

Please let me (U GOTTA LET ME GO) Please let me  
Please let me... go

No... No...

I thought we'd make it last, but now our time has past.  
I thought we said forever, but now I'll see you never.  
I thought we'd make it last, but now our time has past.  
I thought we said forever, I will just see you NEVER... I  
will just see you NEVER...

CHORUS  
(U GOTTA LET ME GO)
