4 or 5- my time, I open up my eyes  
One am where you are, the crowd's still hypnotized-  
By the sounds of dj's playin' all our favorite grooves.  
I'm here in bed-sadly instead-of being there with  
you...  
Enjoyin' all the fine wine-your taste, your touch-no lie  
Can't control the way I feel-I'm sure you realize-that  
boy you turn me on-you got that sexy attitude... Listen  
up, tell ya what? This outta put you in the mood:  
First: You will touch your body. Next: You will  
touch just mine.  
One girl or take us both-two at a time. Then: I wanna  
feel your body, pressed right up inside of mine...I'm  
yours-all ways you crave it-all of the time

I know you like my new style: my look, my girl, my  
class.  
Bet u wonder if a love this cool will ever last  
Cause not all girls will give you what I have to give.  
They're shy and a waste of time; not much fun to be  
with.  
You need someone like me to make true every  
fantasy...  
No need to wait and see-I'm all yours.  
So, babe if you can handle-a little hot wax from those lit  
candles  
Forget the bed, let's do it right here on the floor

First: You will touch your body. Next: You will touch just  
mine.  
One girl or take us both-two at a time. Then: I wanna  
feel your body, pressed right up inside of mine...I'm  
yours-all ways you crave it-all of the time

First: You will touch your body. (touch your body)  
Next: You will touch just mine (touch just mine)  
One girl or take us both-two at a time. (YA) Then: I  
wanna feel your body, pressed right up inside of  
mine...I'm yours-all ways you crave it-all of the time  
I crave you...I crave you...All of the time...  
If you want it, you can have it -tell me, I'm yours.  
When you want it, please just take it-I'll give you

more...then you're asking-  
I'm thinkin': you're my favorite chore. U & me and  
she'll make 3...  
ain't that what ur hopin' 4?

First: You will touch your body. Next: You will touch just  
mine.

One girl or take us both-two at a time. Then: I wanna  
feel your body, pressed right up inside of mine...I'm  
yours-all ways you crave it-all of the time

First: You will touch your body. (touch it)

Next: You will touch just mine (touch just mine)

One girl or take us both-two at a time. Then: I wanna  
feel your body, pressed right up inside of mine...I'm  
yours-all ways you crave it-all of the time

I bet you never thought it be like this. You know not too  
many guys can say they do the things we do...

What's that? Ya. I know, She is....
