Angels Among Us

Â© 2008-0511 Chris Foster Music

from the CD - People Places and Things

When the life of loved one
Is cut short by the hands of time
And weÂ're left in the balance
wondering how weÂ'll survive
We find the courage to move on
Knowing we are not alone
For it doesnÂ't remove us
from the loved ones that weÂ've known

(Chorus)

There are Angels among us
And theyÂ're with us all the time
Guiding our hands, lifting our hearts
Helping us cross the finish line
There are Angels among us
Speaking to our hearts and our minds
Reminding us there is no end love in time

You see the memories we treasure
Are forever etched in our minds
And our love wonÂ't diminish
Through the passing of all time
We hear their voices of wisdom
As weÂ're seeking to do whatÂ's right
And all the pathways we travel
Are lit up by their loving guiding light

(repeat chorus)

Feel in your heart --remember the past
Love canÂ't go away
The memories of all who have touched our life
Carry us day to day

and so IÂ'll always remember the times I spent with you
and across the dimensions I know that you remember
too
Life love and laughter Are the greatest gifts we share

And I take my comfort In knowing you are always there.
(repeat Chorus)
