I Believe in Me
Words and music Chris Foster
Iâ€™ve walked this road
Now itâ€™s at the end
And Iâ€™ve cast aside
All the might have beens

Thereâ€™s no stone unturned
Thereâ€™s no wondering
Iâ€™ve shattered every doubt
By giving my everything

And now I face the world know
With a passion and a purpose
Its time for me to show

I Believe in Me
And I am proud of who I am
I Believe in Me
And Iâ€™ve given all I can
To my dream
And I want the world to see
I believe in me

Thereâ€™ve been times Iâ€™ve cried
when I was at my end
And I looked everywhere
Just to find a friend

Iâ€™ve been really low
And I could have quit
But I forged ahead
In spite of it

Now Iâ€™m following my dream
There is no more chasing rainbows
Iâ€™m living life to its extreme
I Believe in Me
And I am proud of who I am
I Believe in Me
And Iâ€™ve given all I can
To my dream

And I want the world to see
I believe in me

I know Time will tell just where this life will lead me
Still I am living in the now
I'll let my inner voice guide and teach me
With the knowing I will stand the test of time somehow

Cause
I Believe in Me
And I am proud of who I am
I Believe in Me
And I've given all I can
To my dream
And I want the world to see
I believe in me
