What Iâ'm All About

Â© 2008 Chris Foster Music

Through a lifetime of seeking and searching
Have I come to the end of my road?
Where is the defining moment
Am I lost in the seeds that Iâ've sowed?

As Iâ'm waiting for answers to questions
With a future thatâ's rather unclear
Will I ever know who I am
What Iâ'm all about
With never a doubt or a fear.

With a mold that is cast from the inside
Just how and where do I fit in
Aware that some things may different
But better for all in the end.

Embracing my goals and intentions
Integrity is my best friend
Iâ'm beginning to know who I am
What Iâ'm all about
With never a truth to defend

Still doubt offers up its misgivings
As I stop at my fork in the road
But with an unwaivering spirit
My sanctityâ's slowly bestowed

So Iâ'll take a look on the inside
To uncover the dreams of my soul
Then Iâ'll clearly know who I am
What Iâ'm all about
As higher and higher Iâ'll go.
