(Louis Element/Johnny Williams) adaptation anglaise  
Pamela Sheyne

Ah ah ah ah, ah ah ah, oh baby, forget me not.

Ah ah ah ah ah ah, forget me not, ah ah ah ah

I could take a photograph I want you to remember  
Yeah, I could make a movie of the time we've had  
together

Make you see that it's me, seek and you will find  
Baby, I could even change your mind  
Keep you wantin' for more, keep you waitin' for sure  
So when you go lookin' back in time

Hey ! You'll say those flowers in my hair  
They remind you of the innocence we lost  
No way, my feelings for you ain't gonna stop, I'll make  
you forget me not

I could write a million words, explain the way I'm feelin'  
(Hey Lorie)

Could paint a picture perfect world  
So this boy and girl would keep believin'  
There is nobody else, save us from ourselves  
Baby, I'm the only one you need  
You can't hide, you can't run, the best is yet to come  
Cause when you go lookin' back, you'll see

Hey ! You'll say those flowers in my hair  
They remind you of the innocence we lost  
No way, my feelings for you ain't gonna stop, I'll make  
you forget me not  
You'll say those flowers in my hair  
They remind you of the innocence we lost  
No way, my feelings for you ain't gonna stop, ah ah ah

I've gotta let my feelings show, so baby, you won't let  
me let you go  
Give it all away before it is too late  
Ah ah ah ah ah... (Je t'aime) Before it's too late

Hey ! You'll say those flowers in my hair  
They remind you of the innocence we lost  
No way, my feelings for you ain't gonna stop, I'll make  
you forget me not  
You'll say those flowers in my hair  
They remind you of the innocence we lost  
No way, my feelings for you ain't gonna stop, ah ah ah,  
forget me not.
